

AREND GESIN INVESTMENT

Business Profile

WHO WE ARE

AREND GESIN is a family based business that focuses on **THAT Child** and is youth friendly. Comprising of highly skilled human resource base with broad professional experience in IT and project management. The business commits to best practice solutions and provision of your needs in all areas of our operation. AGI was established in 2020 and its core business is branding & imaging. Other products and services include; stationery supplies, IT installations and work safety equipment (PPEs). We mainly operate in: Nakuru, Uasin Gishu, Bungoma, Trans Nzoia and Nairobi counties.

We offer customized services to our esteemed clients. To actualize this we embrace interactive online approaches to help our clients identify their specific business **NEED** and work together towards attaining the best solution. In all our services we create client cohorts to ease information flow, learning and sharing with a bias towards helping **THAT Child** in the community.

We believe in data as the new oil. We take empowerment very seriously and consider knowledge and skills transfer as the key to an empowered individual and organization. As the world comes to terms with the pressures of the knowledge economy, we endeavor to fully equip the youth and women with the requisite skills and competencies in entrepreneurship, customer service, branding, and personal development. With such competencies they will be ready to live the dream of Kenya's Vision 2030, and the Sustainable Development Goals.

Our Goal

Empower youth and give **THAT** Child a chance

Our Mission

To be a treadsetter in professionalism of services offered with an eye on CSR deliberately touching **THAT** Child within the communities we operate in.

Our Vision

Our Vision for **THAT** Child is a world better than today.

AGI business model

AGI's network of partners and clients is critical to our long-term success. AGI business model is predominantly direct sales and services with an adaptable design specific to target customers. We leverage on partners and clients in new innovations and trends to increase our sales through data pools with youth. We endeavor to pull support for education and life in its fullness for **THAT Child**. Our model expands operations to youth as ambassadors creating an environment of self-reliance.

Our Services

A black and white photograph showing a group of people working at a table. One person is writing on a tablet with a pen, while others have their hands near the devices. A yellow horizontal band is superimposed over the middle of the image, containing the title text.

Arend Gesin Strength of Family

3. IT installations & client management service

AGI offers timely support to our clients in IT services. We provide quality computers, computer accessories and IT software installations. We maintain and service client systems and machines.

4. Graphic design and advertisement

We develop business profiles, design brochures & flyers, customize business cards and posters. We also offer customized clients' products and services advertisement at affordable prices on various social media platforms.

A group of diverse professionals are gathered around a table in a modern office setting. A man in a dark suit and tie is smiling and looking towards the camera. A woman with dark hair is smiling and looking down at a laptop. Another woman with curly hair is partially visible in the background. The scene is brightly lit with large windows in the background.

Partnerships and CSR

AGI knows, **THAT Child** deserves the best. We work closely with other players and partners within the sector to facilitate CSR initiatives targeting the youth. We raise awareness through motivational speaking and personal development. Through our MIND MASTERS programme we aim to inspire (create confidence), motivate (create a feeling of 'wanting to') and coach (give skills) you on the power of the human mind in shaping their destiny. It is designed for individuals, learning institutions and corporate. Its core agenda is to guide people to understand the power of the mind in living the lives of their dreams. In it you will learn how to set new goals and make decisions towards achieving them; carry out a sincere Personal Development Audit (PDA); and come up with a detailed Action Plan for your life. Targets youth in learning institutions.

WHY CHOOSE US? (Values and Principles)

In our commitment to excite and transcend our client's expectations, we strive to make **THAT Child** smile, we stand out from the rest. We believe in different approaches to challenges and solutions. To keep to this belief, the following are our differentiators.

We believe in GOD

We believe in God working through our hearts and minds in all our undertakings for **THAT Child**.

We believe in TRANSPARENCY

Our services are anchored on transparency and accountability. Anyone can hold to the helm when the sea is quiet. However, we deliver more when the competition is stiff. In fact, we become stronger

We believe in INTEGRITY

We attribute this to making our clients our friends. We serve with an honest heart for tomorrow.

We believe in INVOLVEMENT

Our team believes in working together to tighten all the loose ends. We incorporate open forum discussions and individual meetings to iron out any hiccups during our service delivery.

We believe in CUSTOMER SATISFACTION

We believe that a satisfied customer is the best form of advertisement. What a customer thinks about our products becomes our reality.

Your Role

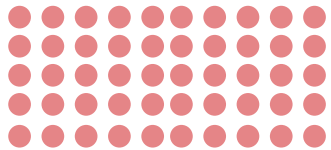

Help THAT Child. Ask us how.
